

**REMARKS**

Applicant replies to the Office Action dated November 24, 2010, within three months. Claims 1 – 4 and 7 - 8 were pending in the application. The Examiner rejects claims 1 – 4 and 7 - 8. Applicants cancel claims 7-8 without prejudice to filing one or more claims having similar subject matter, in other applications. Support for the amendments may be found in the originally-filed specification, claims, and figures. No new matter has been introduced by the amendments. Reconsideration of this application is respectfully requested.

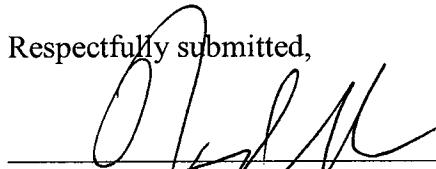

Applicant thanks the Examiner for allowing claims 1-4.

The Examiner rejects claim 7 under 35 USC 112 due to product and process elements in the same claim. Applicant respectfully disagrees, but Applicant cancels claim 7 to expedite prosecution, so this rejection is now moot.

The Examiner rejects claims 7-8 under 35 USC 102(e) as being obvious over Park, US Patent Publication 2004/0114474 (“Park 1”). Applicant respectfully disagrees, but Applicant cancels claim 7 to expedite prosecution, so this rejection is now moot.

Applicant respectfully submits that all pending claims properly set forth that which Applicant regards as the invention and are considered allowable by the Examiner. Should the Examiner have any suggestions to place the application in even better condition for allowance, Applicant requests that the Examiner contact the undersigned representative at the telephone number listed below. The Commissioner is authorized to charge any fees due or refund any overpayment to Deposit Account No. 19-2814, including extension of time fees, if needed.

Respectfully submitted,

  
Howard I. Sobelman  
Reg. No. 39,038
